With the China Merchants Foundation (CMF) as Title Sponsor, the Children's Dance Drama “Magical Adventures of Baby Polar Bear and the 12 Zodiac Animals” was presented at the Hong Kong Sha Tin Town Hall Auditorium from 13 to 22 August 2021. Several hundreds of students and their families were invited to enjoy the matinee performance on 22 August.

At the post-show Meet-the-Artists session, the director and main cast told the students how the dance drama was conceptualized and staged, and encouraged them to protect the environment. Many students were curious about the creative process and keen on asking questions. Everybody also had great fun participating in the quiz.
