Expand your creative horizons beyond the classroom

HKDance established the Children's Troupe in 2006, subsequently expanding its initiatives with the formation of the Youth Troupe. It comprehensively elevates arts training and appreciation for children and young people aged between 4 and 18 who have a passion for dance. Their unique, innovative educational model "Training – Performance – Appreciation" allows students to understand themselves, uncover hidden potential, build self-esteem, and advance their personal artistic development.

The Troupes have participated in and won the highest honours at the China National Children's Dance Competition, successfully establishing their own youth dance brand. In addition to performing in a large-scale dance programme every year, the Troupes also take an active role in cultural exchange events, having visited Beijing, Qingdao, Shanghai, Shenzhen, Panyu, Guangzhou, Taiwan, Sabah (Malaysia), Jinan, Singapore and the Greater Bay Area for exchanges and demonstrations. The Troupes provide exceptional and professional dance training to young people aspiring to dance as a career, offering a more specialised training path to enter The Hong Kong Academy for Performing Arts (HKAPA) or other professional institutions.

8-9.8.2025 (Fri-Sat) 8:00pm | 9-10*.8.2025 (Sat-Sun) 3:00pm

Auditorium, Sha Tin Town Hall

Be determined, but humble, and one day you'll be a champion!

A contest is about to begin in the sports stadium, a story about pursuing one's dreams...

Passionate about cycling, Tsz-kwan practices hard, determined and vows to make it to the National Games. In contrast, Sai-yat, who's conceited and naturally gifted in athletics, looks for any shortcut. Talent versus hard work... who will unlock the secret to success in the final round?

Join Hong Kong Dance Company's professional dancers and nearly 400 young talents from our Children's and Youth Troupes in a delightful song-filled dance musical telling stories of indomitable athletic endeavour. Together, we will win that gold medal! This 2.0 version of The Kids in Rainbow Jerseys introduces some more newly choreographed dance numbers, and we are thrilled to encourage social inclusion by inviting wheelchair dancers of the China Hong Kong Para Dance Sport Association to perform with us.

May your hopes and dreams stay strong, be it on the runway, the court, in the ring, the pool, on stage, or otherwise. For the flame that courses through our veins is what propels us to victory! Let us begin by toiling with our sweat and tears for that glorious moment in the sun. The 15th National Games is going to take place soon in Hong Kong—let's all cheer our athletes on!

Message from Choreographer

The Kids in Rainbow Jerseys 2.0 is returning to the stage! With the same passion and conviction we had at its inception, we continue to explore the dynamic fusion of dance and sport, conveying the value of perseverance. Perseverance itself is the most moving dance and the most exhilarating competition.

This time, nearly 400 young dancers are taking part in *The Kids in Rainbow Jerseys 2.0*, putting their skills to the test with a range of dance props — bicycles, snowboards, table tennis balls, sabres, and more. Through day after day of rigorous training, a seed of perseverance has taken root in them. They cheer one another on, grow together, and light up the stage with unstoppable energy. Thank you to our dancers for never forgetting your love for dance! Thank you to our professional company dancers for supporting the students every step of the way! And our deepest thanks to our warm and dedicated production team and to all the wonderful parents. Your support may seem natural, but it is truly precious and never taken for granted.

The 2025 National Games will soon be held in Hong Kong, and we are honoured to feature a performance by wheelchair dancers in *The Kids in Rainbow Jerseys 2.0*. Together on stage, we cheer on every athlete chasing their dreams. This show is dedicated to everyone out there forging their own path forward!

Be determined, but humble, and one day you'll be a champion!

Good show to *The Kids in Rainbow Jerseys 2.0*!

We gather to enjoy a wonderful festival
What a perfect way to make merry
Everyone's celebrating the mid-autumn moon
As the night unfolds, the moon brightens with the lanterns

You can't go hungry here. Come, enjoy the snacks
Look at the enticing delicacies,
Chefs wield their talent like Olympic athletes
They're passionate and original
We salivate for baked goods and BBQ

The food's hot, fresh and tasty
Don't just stand there, come and try
Which of these stalls dare compete?
You can taste our assured craft

You can't go hungry here. My snacks are great
They're renowned near and far because I make the best
With skills honed through the years, my work may look easy
I've been persistent. That's why customers keep coming
Come over, you want to try my delicacies

Foster confidence and determination
Be competitive and brave, never give up
Strive and aim to break your own record
To improve ourselves in life
Be strong and passionate, step forward with enthusiasm
When you break through, you won't regret the pain
Everyone's an athlete, honed with special skills
Get up, let's see who's the winner

Foster confidence and determination
Be competitive and brave, never give up
Strive and aim to break your own record
Dreams are made of dedication
Be strong and passionate, step forward with enthusiasm
When you break through, you won't regret the pain
Work hard and be happy. Sports can energise body and soul
A new vista awaits when you face your opponents

How do people win the top prize? Lots of talent and hard work
The strong are never proud. Remember, we must treasure our talent
Anyone can break through with confidence and resolve

We must know ourselves, or else we're losers! Tsz-kwan's a loser!
If failing means losing, how many losers are in this world?
Life is precious, why waste time?
What is waste? Is losing a waste?
Yes, losing is a waste.
Why are people so afraid of losing?
Mum said losing is a travel permit for losers.
Dad said winning is an epitaph for winners.
If winning requires 100 losses and
I give up after 99 tries, isn't that a waste?
If you don't have the talent, change your career, accept you're ordinary
Most people in this world are ordinary
That's why I'm not ordinary, I'm Sai-yat. I'm World's No.1
But...
When I return I'll persuade Tsz-kwan to give up cycling
But...
We should be self-aware! Don't bite off more than you can chew!
But...
Reality is cruel; to accept it is hard

Don't race yet, warm up first. Move your body from head to toe

Keep your rhythm: one, two, three, four

Relax your mind: Let's do sports together

Find the right place and exercise the right amount

If your stomach's full, don't go in

Don't force it, you may injure yourself

Keep healthy, control your diet, don't drink or smoke

Eat your proteins and vitamins

To stay healthy, you must rest

Let's do it well together: Balancing requires the right tempo

Let's try again: one, two, three, four

Let's make strides on our path to sports

*Don't make the wrong moves, learn more about sports

Keep your body and mind healthy, then you'll feel relaxed

We'll learn about sports from the beginning

We'll set new goals and discover them together*

If you fall, don't run. Get medical help immediately

Injuries old and new must be treated in time

If you tarry, trouble will ensue

Be clear about your goals, measure your strength

Early to bed, early to rise. Keep a regular schedule

Eat healthily and stay positive

[repeat*]

Don't race yet, warm up first. Move your body from head to toe

Keep your rhythm: one, two, three, four

Relax your mind: Let's do sports together

Let's do it well together: Balancing requires the right tempo

Let's try again: one, two, three, four

We'll advance together on this path to sports

*Sai-yat, go, go, go, don't stop

Run, life is filled with vigour

Start anew, face yourself

Your spirit will break through

Passing on the Olympic torch

Holding hands, we run together. There's no need to compare ourselves

Let thoughts connect with the body

Be passionate and calm, wise and rational

Together, we'll have fun*

[repeat*]

Sai-yat, go, go, go, full-steam ahead

Run, we'll be victorious

Sharing this path

We fear neither hardships nor trouble

Running along, we see our goal

Holding hands, we grow together

All our lives, we'll test our faith

Dedicated, we fear not about losing. We work hard and set our goals

Having endured hardship, we have all the fun
